

Xavier BRUSSET

Professor

Academy: Digitalization

Research center: SKEMA Centre for Analytics and Management Science

Campus: Paris

Email: xavier.brusset@skema.edu

Research interests

Information Systems applied to logistics and supply chain management, organization and management of operations for large and small firms, Problem solving of managerial issues affecting the efficiency and profitability of operations of both inbound and outbound logistics and as well as information processes, Supply chain management, distribution tailing, blockchain, weather risk

Teaching interests

Information Systems applied to logistics and supply chain management, Organization and management of operations for large and small firms, Problem solving of managerial issues affecting the efficiency and profitability of operations of both inbound and outbound logistics and as well as information processes, Supply chain management, Weather risk

Education

2016	HDR in Management Science, Université Paris Nanterre, France
2010	Doctorate in Supply Chain Management, Université catholique de Louvain, Belgium
2003	DEA, Université catholique de Louvain, Belgium

Experience

Full-time academic positions

Since 2016	Professor in Supply Chain, SKEMA Business School, France
2015 - 2016	Professor in Purchasing and Supply Chain, Toulouse Business School, France
2009 - 2015	Associate Professor in Purchasing and Supply Chain & In charge of the Master 2 in Achats et Supply Chain Management, ESSCA School of Management, France

Other academic affiliations and appointments

Since 2017	Director of the PRISM Research Centre, SKEMA Business School, France
2017 - 2019	Program Director - Master of Science in Supply Chain Management and Purchasing, SKEMA Business School, France

Other professional experiences

2007 - 2009	Project Manager, TransLogisTIC, Belgium
2000 - 2002	Co-Founder & Marketing/Sales Manager, WebLogistix, Argentina
1997 - 2000	Sales Representative, PERAX, AREAL, Argentina
1995 - 1997	Money Market fund Manager, Banque Française du Commerce Extérieur, France
1994 - 1995	Fixed Income strategist, Société Générale, France
1992 - 1994	Futures broker, Paine Webber France, France

Other professional experiences

1987 - 1992 Interest rate futures broker, X. Dupont F.Denant Stockmarket broker, France

Publications

Peer-reviewed journal articles

Other research activities

Senior or associate editor

2022 - 2023 International Journal of Retail and Distribution Management
2020 - 2022

Editorial board member

2022 - 2023 International Journal of Retail and Distribution Management

Reviewer for:

International Journal of Production Economics, International Journal of Operational Research, Production Planning and Control, Journal of the Operational Research Society, Operations Research, Supply Chain Forum: An International Journal, Systèmes d'Information et Management, Recherche et Applications en Marketing, International Journal of Retail and Distribution Management, International Journal of Production Research, European Journal of Operational Research, International Journal of Physical Distribution and Logistics Management, International Journal of Production Economics

Organization of a conference or a seminar

2021 - 2022 Organizing international conference, SKEMA Business School, France

PhD supervision

2024 V. CAPOCASALE, PhD thesis, Thesis Reviewer
2021 R. ALKHUDARY, Université Paris 2 Panthéon-Assas, PhD thesis, Thesis co-director

Other academic activities

2020 Expert evaluation of European Project, Innovation and Networks Executive Agency (INEA), Belgium
2020 Innovation and Networks Executive Agency (INEA), Innovation and Networks Executive Agency (INEA), Belgium
2018 Innovation and Networks Executive Agency (INEA), Innovation and Networks Executive Agency (INEA), Belgium
