

Margherita PAGANI

Professor

Academy: Digitalization

Research center: SKEMA Centre for Artificial Intelligence

Campus: Paris

Email: margherita.pagani@skema.edu

Research interests

Artificial Intelligence for Business, Consumer behavior and new technologies (chatbots, robotics, AR), digital platforms, social media marketing, value creation and capture in digital ecosystems

Teaching interests

Consumer behavior and new technologies (chatbots, robotics, AR), Digital platforms, Social media marketing, Value creation and capture in digital ecosystems

Education

2016	HDR in Sciences de Gestion, Université d'Évry, France
2015	Ph.D. in Management, Université Jean Moulin Lyon 3, France
1995	MSc in Business Administration, Bocconi University, Italy
2006	Certificate in Data and Models in Engineering Science and Business (Part 1), Massachusetts Institute of Technology (MIT), United States of America
2006	Certificate in Data and Models in Engineering Science and Business (Part 2), Massachusetts Institute of Technology (MIT), United States of America
2005	Certificate in Individual Choice Behavior: Theory and Application of Discrete Choice Analysis, Massachusetts Institute of Technology (MIT), United States of America

Experience

Full-time academic positions

Since 2023	Advisor for European Economic and Social Committee - CCMI Consultative Commission on Industrial Change - Initiative on virtual worlds such as meta verse, European Economic and Social Committee (EESC), Belgium
Since 2021	Professor of Digital and Artificial Intelligence in Marketing, SKEMA Business School, France
2017 - 2021	Professor of Digital Marketing, EM Lyon Business School, France
2013 - 2017	Associate Professor - Department Markets and Innovation, EM Lyon Business School, France
2006 - 2013	Assistant Professor, Management Department, Bocconi University, Italy

Other academic affiliations and appointments

Since 2022	Head of SKEMA Research Center for Artificial Intelligence, SKEMA Business School, France
2022 - 2023	Associate Dean SKEMA AI School for Business, SKEMA Business School, France
2018 - 2021	Founder and Academic Co-Director Master of Science in Digital Marketing and Data Science, EM Lyon Business School, France
2018 - 2021	Founder and Director AIM Research Center on Artificial Intelligence in Value Creation - Institute for

Other academic affiliations and appointments

	Artificial Intelligence in Management, EM Lyon Business School, France
2008 - 2011	MIT Sloan Research Affiliate, Massachusetts Institute of Technology (MIT), United States of America

Research grants, Awards and Honors

Awards and Honors

2024	Top 2% of highly cited scientists globally for 2023 by Elsevier
2023	"International Marketing Trends" Award as distinguished Scholar
2023	Top 2% of highly cited scientists worldwide for 2022 by Stanford University and Elsevier ranking
2020	Top five preferred article published in Harvard Business Review France "article Pagani M, Champion R. (2020) Intelligence Artificielle: quelles compétences pour le manager de demain? December 2020, Harvard Business Review France
2014	finalist for the Best European Paper among all papers published in MISQuarterly and Information Systems Research in 2013 - paper Pagani M. (2013) "Digital business strategy and value creation: framing the dynamic cycle of control points" MISQuarterly and Information Systems Research
2013	"Honorable Mention" by Business Horizons and Elsevier "Best articles" category published in 2012 for the article Rhom A., Gao, T. Sultan F., Pagani M. (2012) "Brand in the hand: a cross-market investigation of consumer acceptance of Mobile Marketing", Business Horizon and Elsevier
2009	Award "Academic of the Year" (for the research activity and publications in the mobile marketing field), Mobile Marketing Association
2005	Award for distinctive academic research â period 2004-2006, Bocconi University
2000	Award "Most downloaded paper" recognized by the The International Journal on Media Management to the published article "Interactive television a model of analysis of Business Economic Dynamics", The International Journal on Media Management

Research Grants

2002	Research Grant (2002-2008) from Foundation Tronchetti Provera "Value chain dynamics and concept engineering in the development of next generation mobile", Foundation Silvio Tronchetti Provera, Italy
